We're the ideal location to get for your publication that is called. And your time to acquire this guide since among the compromises has been ready. 26. The City of Lebtaic cclxxii. When she had made an end of her verses, the Lady Zubeideh bade each damsel sing a song, till the turn came round to Sitt el Milah, whereupon she took the lute and tuning it, sang thereto four-and-twenty songs in four-and-twenty modes; then she returned to the first mode and sang the following verses: .? ? ? ? ? Like a sun at the end of a cane in a hill of sand, She shines in a dress of the hue of pomegranate flower. When they knew that there was left him no estate that the king might covet, they feared lest he be brought to release him, by the incidence of the vizier's [good] counsel upon the king's heart, and he return to his former case, so should their plots be marred and their ranks degraded, for that they knew that the king would have need of that which he had known from that man nor would forget that wherewith he was familiar in him. Now it befell that a certain man of corrupt purpose (78) found a way to the perversion of the truth and a means of glozing over falsehood and adorning it with a semblance of fair-seeming and there proceeded from him that wherewith the hearts of the folk were occupied, and their minds were corrupted by his lying tales; for that he made use of Indian subtleties and forged them into a proof for the denial of the Maker, the Creator, extolled be His might and exalted be He! Indeed, God is exalted and magnified above the speech of the deniers. He avouched that it is the planets (79) that order the affairs of all creatures and he set down twelve mansions to twelve signs [of the Zodiac] and made each sign thirty degrees, after the number of the days of the month, so that in twelve mansions there are three hundred and threescore [degrees], after the number of the days of the year; and he wrought a scheme, wherein he lied and was an infidel and denied [God]. Then he got possession of the king's mind and the enviers and haters aided him against the vizier and insinuated themselves into his favour and corrupted his counsel against the vizier, so that he suffered of him that which he suffered and he banished him and put him away. Drink ever, O lovers, I rede you, of wine, ii. 230. As for the vizier, the sultan discovereth unto him his affairs, private and public; and know, O king, that the similitude of thee with the people is that of the physician with the sick man; and the condition (169) of the vizier is that he be truthful in his sayings, trustworthy in all his relations, abounding in compassion for the folk and in tender solicitude over them. Indeed, it is said, O king, that good troops (170) are like the druggist; if his perfumes reach thee not, thou still smallest the sweet scent of them; and ill troops are like the black-smith; if his sparks burn thee not, thou smellst his nauseous smell. So it behoveth thee take unto thyself a virtuous vizier, a man of good counsel, even as thou takest unto thee a wife displayed before thy face, for that thou hast need of the man's righteousness for thine own amendment, (171) seeing that, if thou do righteously, the commons will do likewise, and if thou do evil, they also will do evil. To return to the king's daughter of whom the prince went in quest and on whose account he was slain. She had been used to look out from the top of her palace and gaze on the youth and on his beauty and grace; so she said to her slave-girl one day, 'Harkye! What is come of the troops that were encamped beside my palace?' Quoth the maid, 'They were the troops of the youth, the king's son of the Persians, who came to demand thee in marriage, and wearied himself on thine account, but thou hadst no compassion on him.' 'Out on thee!' cried the princess. 'Why didst thou not tell me?' And the damsel answered, 'I feared thy wrath.' Then she sought an audience of the king her father and said to him, 'By Allah, I will go in quest of him, even as he came in quest of me; else should I not do him justice.' 46. The Loves of Budour and Jubeir ben Umeir dlxxxvii. ? ? ? ? c. The Jewish Physician's Story cxxix. Sons, The Merchant and his, i. 81. ? ? ? ? w. The Fox and the Folk (235) M. ? ? ? ? The fires in my vitals that rage if I did but discover to view, Their ardour the world to consume, from the East to the West, might avail. ? ? ? ? The sweet of slumber after thee I have forsworn; indeed The loss of thee hath smitten me with trouble and affright. ? ? ? ? Though they their journey's goal, alas I have hidden, in their track Still will I follow on until the very planets wane. Now there was in the house a ram, with which the Persian used to butt, and when he saw what the woman did, he thought she would butt with him; so he broke his halter and running at her, butted her and broke her head. She fell on her back and cried out; whereupon the Persian started up from sleep in haste and seeing the singing-girl [cast down on her back] and the singer with his yard on end, said to the latter, 'O accursed one, doth not what thou hast already done suffice thee?' Then he beat him soundly and opening the door, put him out in the middle of the night. Second Officer's Story, The, ii. 134. He found it every way complete and saw therein ten great trays, full of all fruits and cakes and all manner sweetmeats. So he sat down and ate thereof after the measure of his sufficiency, and finding there three troops of singing-girls, was amazed and made the girls eat. Then he sat and the singers also seated themselves, whilst the black slaves and the white slaves and the eunuchs and pages and boys stood, and the slave-girls, some of them, sat and some stood. The damsels sang and warbled all manner melodies and the place answered them for the sweetness of the songs, whilst the pipes cried out and the lutes made accord with them, till it seemed to Aboulhusn that he was in Paradise and his heart was cheered and his breast dilated. So he sported and joyance waxed on him and he bestowed dresses of honour on the damsels and gave and bestowed, challenging this one and kissing that and toying with a third, plying one with wine and another with meat, till the night fell down. Now the king's vizier had two daughters, own sisters, the elder of whom had read books and made herself mistress of [all] sciences and studied the writings of the sages and the histories of the boon-companions, (160) and she was possessed of abundant wit and knowledge galore and surpassing apprehension. She heard that which the folk suffered from the king and his despiteous usage of their children; whereupon compassion gat hold upon her for them and jealousy and she besought God the Most High that He would bring the king to renounce that his heresy, (161) and God answered her prayer. Then she took counsel with her younger sister and said to her, 'I mean to contrive somewhat for the liberation of the people's children; and it is that I will go up to the king [and offer myself to him], and when I come to his presence, I will seek thee. When thou comest in to me and the king hath done his occasion [of me], do thou say to me, 'O my sister, let me hear and let the king hear a story of thy goodly stories, wherewithal we may beguile the waking hours of our night, till we take leave of each other.' 'It is well,' answered the other. 'Surely this contrivance will deter the king from his heresy and thou shalt be requited with exceeding favour and

abounding recompense in the world to come, for that indeed thou adventrest thyself and wilt either perish or attain to thy desire.' When she came in sight of the folk, they kissed the earth before her and she said to them, 'Tell me what hath betided Queen Tuhfeh from yonder dog Meimoun and why did ye not send to me and tell me?' Quoth they, 'And who was this dog that we should send to thee, on his account? Indeed, he was the least and meanest [of the Jinn].' Then they told her what Kemeriyeh and her sisters had done and how they had practised upon Meimoun and delivered Tuhfeh from his hand, fearing lest he should slay her, whenas he found himself discomfited; and she said, 'By Allah, the accursed one was wont to prolong his looking upon her!' And Tuhfeh fell to kissing Queen Es Shuhba's hand, whilst the latter strained her to her bosom and kissed her, saying, 'Trouble is past; so rejoice in assurance of relief.' In this island is a river of very sweet water, issuing from the shore of the sea and entering in at a wide cavern in the skirt of an inaccessible mountain, and the stones of the island are all limpid sparkling crystal and jacinths of price. Therein also is a spring of liquid, welling up like [molten] pitch, and when it cometh to the shore of the island, the fish swallow it, then return and cast it up, and it becometh changed from its condition and that which it was aforetime; and it is crude ambergris. Moreover, the trees of the island are all of the most precious aloes-wood, both Chinese and Comorin; but there is no way of issue from the place, for it is as an abyss midmost the sea; the steepness of its shore forbiddeth the drawing up of ships, and if any approach the mountain, they fall into the eddy aforesaid; nor is there any resource (205) in that island. Therewithal El Abbas smiled and her verses pleased him. Then he bade the fourth damsel come forward and sing. Now she was from the land of Morocco and her name was Belekhsa. So she came forward and taking the lute and the psaltery, tightened the strings thereof and smote thereon in many modes; then returned to the first mode and improvising, sang the following verses: Reshid (Haroun er) and the Woman of the Barmecides, i. 57..? ? ? ? How many a lover, who aspires to union with his love, For all his hopes seem near, is baulked of that whereon he's bent! [When] Hudheifeh [saw him], he cried out to him, saying, "Haste thee not, O youth! Who art thou of the folk?" And he answered, "I am Saad [ibn] el Wakidi, commander of the host of King Ins, and but that thou vauntedst thyself in challenging me, I had not come forth to thee; for that thou art not of my peers neither art counted equal to me in prowess and canst not avail against my onslaught. Wherefore prepare thee for departure, (73) seeing that there abideth but a little of thy life." When Hudheifeh heard this his speech, he threw himself backward, (74) as if in mockery of him, whereat El Abbas was wroth and called out to him, saying, "O Hudheifeh, guard thyself against me." Then he rushed upon him, as he were a swooper of the Jinn, (75) and Hudheifeh met him and they wheeled about a long while. Then Khelbes used to attend the learned man's assembly, whilst the other would go in to his wife and abide with her, on such wise as he thought good, till the learned man arose from his session; and when Khelbes saw that he purposed rising, he would speak a word for the lover to hear, whereupon he went forth from Khelbes's wife, and the latter knew not that calamity was in his own house. At last the learned man, seeing Khelbes do on this wise every day, began to misdoubt of him, more by token of that which he knew of his character, and suspicion grew upon him; so, one day, he advanced the time of his rising before the wonted hour and hastening up to Khelbes, laid hold of him and said to him, 'By Allah, an thou speak a single syllable, I will do thee a mischief!' Then he went in to his wife, with Khelbes in his grasp, and behold, she was sitting, as of her wont, nor was there about her aught of suspicious or unseemly. Then he gave me the present and letter and money for my expenses. So I kissed his hand and going out from before him, repaired to the sea-coast, where I took ship with many other merchants and we sailed days and nights, till, after a prosperous voyage, God vouchsafed us a safe arrival at the island of Serendib. We landed and went up to the city, where I carried the letter and present to the king and kissing the earth fell [prostrate before him], invoking blessings on him. When he saw me, 'Welcome to thee, O Sindbad!' quoth he. 'By the Most Great God, we have longed for thy sight and the day is blessed on which we behold thee once more.' Then he took my hand and seating me by his side, welcomed me and entreated me friendly and rejoiced in me with an exceeding joy; after which he fell to conversing with me and caressing me and said, 'What brings thee to us, O Sindbad?' I kissed his hand and thanking him, said, 'O my lord, I bring thee a present and a letter from my lord the Khalif Haroun er Reshid.' Then I brought out to him the present and the letter and he read the latter and accepted the former, rejoicing therein with an exceeding joy.
