Never would he pause to reload at this desperate penultimate moment, when success or failure might be decided in mere seconds. That would be the choice of a man who thought first and acted later, the behavior of a born loser..He knew that the only movement in those staring, sightless eyes was the restless reflection of the flashlight beam as he probed the trash with it. He knew he was being irrational, but nevertheless he was reluctant to turn his back on the corpse. Repeatedly in the midst of searching, he snapped his head up, whipping his attention to Neddy, certain that from the corner of his eye, he had seen the dead gaze following him.. "It's easy to see you as a cop," Kathleen said. All the whacks, pops, and worm buckets just trip off your tongue, so to speak. But it takes some effort to remember you're a priest, too.. "She hung her head, covered her face with her chilled hands, and wondered how her mother could sustain faith in God when such terrible things could happen to someone as innocent as Phimie.. Eventually she discovered within herself all the light that she needed to find her way through the crucial hours immediately ahead. At last she knew what she must do, but she was not certain that she possessed the fortitude to do it.. Not all of the pins were knocked to the shear line with a single pull of the trigger. Three pulls were the minimum required, sometimes as many as six, depending on the lock.. Joey was standing just outside, gazing in at her. His blue eyes were seas where sorrow sailed.. The girl smiled, as stunningly beautiful as he remembered her, but she was no longer fifteen, as she had been when last he'd seen her. Since her death in childbirth nearly three years ago, she'd matured and grown lovelier than ever.. As if vengeful spirits weren't trouble enough, he had for three years been struggling unwittingly against the terrible power of the minister's curse, black Baptist voodoo that made his life miserable. He knew now why he had been plagued by violent nervous emesis, by epic diarrhea, by hideously disfiguring hives. The failure to find a heart mate, the humiliation with Renee Vivi, the two nasty cases of gonorrhea, the disastrous meditative catatonia, the inability to learn French and German, his loneliness, his emptiness, his thwarted attempts to find and kill the bastard boy born of Phimie's womb: All these things and more, much more, were the hateful consequences of the vicious, vindictive voodoo of that hypocritical Christian. As a highly self-improved, fully evolved, committed man who was comfortable with his raw instincts, Junior should be sailing through life on calm seas, under perpetually sunny sides, with his sails always full of wind, but instead he was constantly cruelly battered and storm-tossed through an unrelenting night, not because of any shortcomings of mind or heart, or character, but because of black magic.. the sentences. The substance of what she said and the tone in which she said it were so perfect that it almost seemed as though an angel had relieved her of this burden by possessing her long enough to help her son understand what must happen and why.. Heart racing, but reminding himself that strength and wisdom arose from a calm mind, Junior stood in the center of the small kitchen, slowly turning to study every angle of the room.. Junior could almost feel sorry for this sad, stocky, haunted detective, deranged by years of difficult public service.. "Nature has no maternal instincts," Edom said quietly but with conviction. "To think otherwise is sheer sentimentality at its worst. Nature is our enemy. She's a vicious killer.. "Overlaying the birthmark were brighter stains. The plain face, less homely now, was less flat, too, pocked and torn into a new and horrendous geography.. Fortunately, at least the desk was cigarette-scarred, because it came with the office. It had been the property of a skip-tracer named Otto Zelm, who'd made a good living at the kind of work Nolly avoided out of boredom: tracking down deadbeats and repossessing their vehicles. On a stakeout, Zelm fell asleep in his car, while smoking, thereby triggering the payoff of both life- and casualty-insurance policies, and freeing the lease on this furnished space.. Candle flames blurred into bright smears, and the faces of her good parents shimmered like the half-seen countenances of angels in dreams.. Tom stared down into the oceanic depths of the city, through the reefs of buildings, to the lamp-fish cars schooling through the great trenches.. Edom observed, amazed, as Agnes chatted up their host, going from Mr. Sepharad to Obadiah, from the doorstep to the living room, the pie delivered and accepted, coffee offered and served, the two of them pleased and easy with each other, all in the time that it would have taken Edom himself to get up the nerve to cross the threshold and to think of something interesting to say about the Galveston hurricane of 1900, in which six thousand had died.. The night seemed to be longer than a Martian month. Agnes dozed, fitfully, waking more than once, sweaty and shaking, from a dream in which her son was taken from her in pieces: first his eyes, then his hands, then his ears, his legs..... Although, to her eyes, the natural world had an ominous cast this morning, she was also aware of its great beauty. She wanted Barty to store up every magnificent vista, every exquisite detail.. "Joey was, after all, an insurance broker," Vinnie reminded her. "He was going to look out for his family.. "Rudy Hackachak--Big Rude to his friends--was six feet four, as rough-hewn as a log sculpture carved with a woodsman's ax. In a green polyester suit with sleeves an inch too short, an unfortunate urine yellow shirt, and a tie that might have been the national flag of a third world country famous for nothing but a lack of design sense, he looked like Dr. Frankenstein's beast gussied up for an evening of barhopping in Transylvania.. Edom, eager to learn precisely when a tidal wave or falling asteroid would bring his doom, fetched a pack of cards from a cabinet in the parlor. When Maria explained that only every third card was read and that a full look at the future required four decks, Edom returned to the parlor to scare up three more.. THE DEAD DETECTIVE, grinning in the moonlight, a pair of silvery quarters gleaming in the sockets once occupied by his eyes.. a time, from the carafe on the nightstand. She spooned the ice into Junior's mouth not with the businesslike. Draped across his midsection, the terrible cold weight had chilled his flesh; but now his bone marrow prickled with ice at the thought of the birthmarked detective sitting silently in the dark, watching. Junior would have preferred dealing with Naomi, dead and risen and seriously pissed, rather than with this dangerously patient man.. The Benediction service had concluded, and the worshipers had departed. Gone, too, were the priest and the altar boys.. Edom, who had never made it big, medium, or little, watched his sister blur before him. He strove to contain the shimmering hotness in his eyes. His love was not for magic, and his pride was not in any skill he possessed, for he possessed none worth noting. His love was for his good sister; she was his pride, too, and he felt that his small life had precious meaning as long as he was able to drive her on days like this, carry her pies, and occasionally make her smile.. Too rattled to want lunch at the St. Francis Hotel or anywhere else, Junior returned to his apartment.. After taking a minute to steel himself, Junior squatted next to the dead detective.. Agnes could almost visualize the three-dimensional geometric model that her little prodigy had created in his mind, which he now relied upon to reach the upper floor without a serious stumble. Pride, wonder, and sorrow pulled her heart in different directions.. The strand was inclined toward the lake. He closed the door and got out of the way as the Studebaker rolled forward, gathering speed.. The city was less than seven miles on a side, only forty-six square miles, but Junior was nevertheless faced with a daunting task. Hundreds of thousands of people resided within the city limits.. In the foyer, Hanna Rey and Nellie Oatis sat side by side on the stairs. Hanna, the housekeeper, was gray-haired and plump. Nellie, was Perri's daytime- companion,

could have passed for Hanna's sister..From the far end of the table, Agnes said, "For starters, Tom, we all want to hear about the rhinoceros and the other you." Bob gently encouraged him to return by degrees from the deep meditative state, return, return, return.....the hilly streets of the city, ignoring all traffic lights and stop signs, pegging the speedometer needle at its highest mark, as though he might eventually be air-cooled by sufficient speed. He wanted to slam through unwary pedestrians, crack their bones, and send them tumbling..The spectral singer didn't exhibit her blood-and-bone sisters' reluctance to pursue her man..honor and family. This was life, and everyone lived his life in the shadow of one solemn obligation or another..In the first drawer, he discovered an address book. Logically, Vanadium would have taken this with him, even if on the lam from a murder rap, so Junior tucked it in his jacket pocket.."I don't like the old crazy doctor," she said, still drawing. "I wish it was about bunnies on vacation-or maybe a toad learns to drive a car and has adventures." Fully clothed, she lay atop the bedspread. She intended to listen to a little classical music before brushing her teeth...If Junior was not discreet, and if gossip about the widower Cain and the sexy nurse began to circulate, Vanadium would be on the case again even if it had been closed. The cop was sick, hateful, driven by unknowable inner demons. Although he might for the moment have been reined in by those in higher office, mere gossip of a spicy nature would be excuse enough for him to open the file again, which he'd surely do without informing his superiors..Finished, Joshua excused himself and went down the hall to his office. He was gone perhaps five minutes, and when he returned, he sent Barty off to the waiting room, where the receptionist kept a jar of lemon- and orange-flavored hard candies. "A few of them have your name on 'em, Bartholomew." If he didn't find the Rolex and get back to his car before the reception ended, he'd forfeit his best chance of following Celestina to Bartholomew.
